

Session Information

Traditional sessions are photographed at our home studio or on *location. Each session is approximately 1 hour.

Included with every regular session is a CD containing about 30 images all printable up to an 8x10 size using the photo lab of your choice. These images may also be posted on social web sites. With each session Kirby Photography will post 1 image on facebook with a link to your online gallery.

Online galleries are open for 60 days. Your CD will also have a sample custom designed card, such as a holiday card birth announcement , thank you, graduation invitation, etc.
